

JOHN WAYNE COMMEMORATIVE

The Winchester Game Warden Model is a .30-06 caliber rifle. It is a bolt-action rifle with a 24-inch barrel. The receiver is made of stainless steel and the stock is made of walnut. The rifle is finished with a silver-colored metal band near the muzzle. The Winchester Game Warden Model is a popular choice for hunters and collectors alike. It is a reliable and accurate rifle that is built to last.

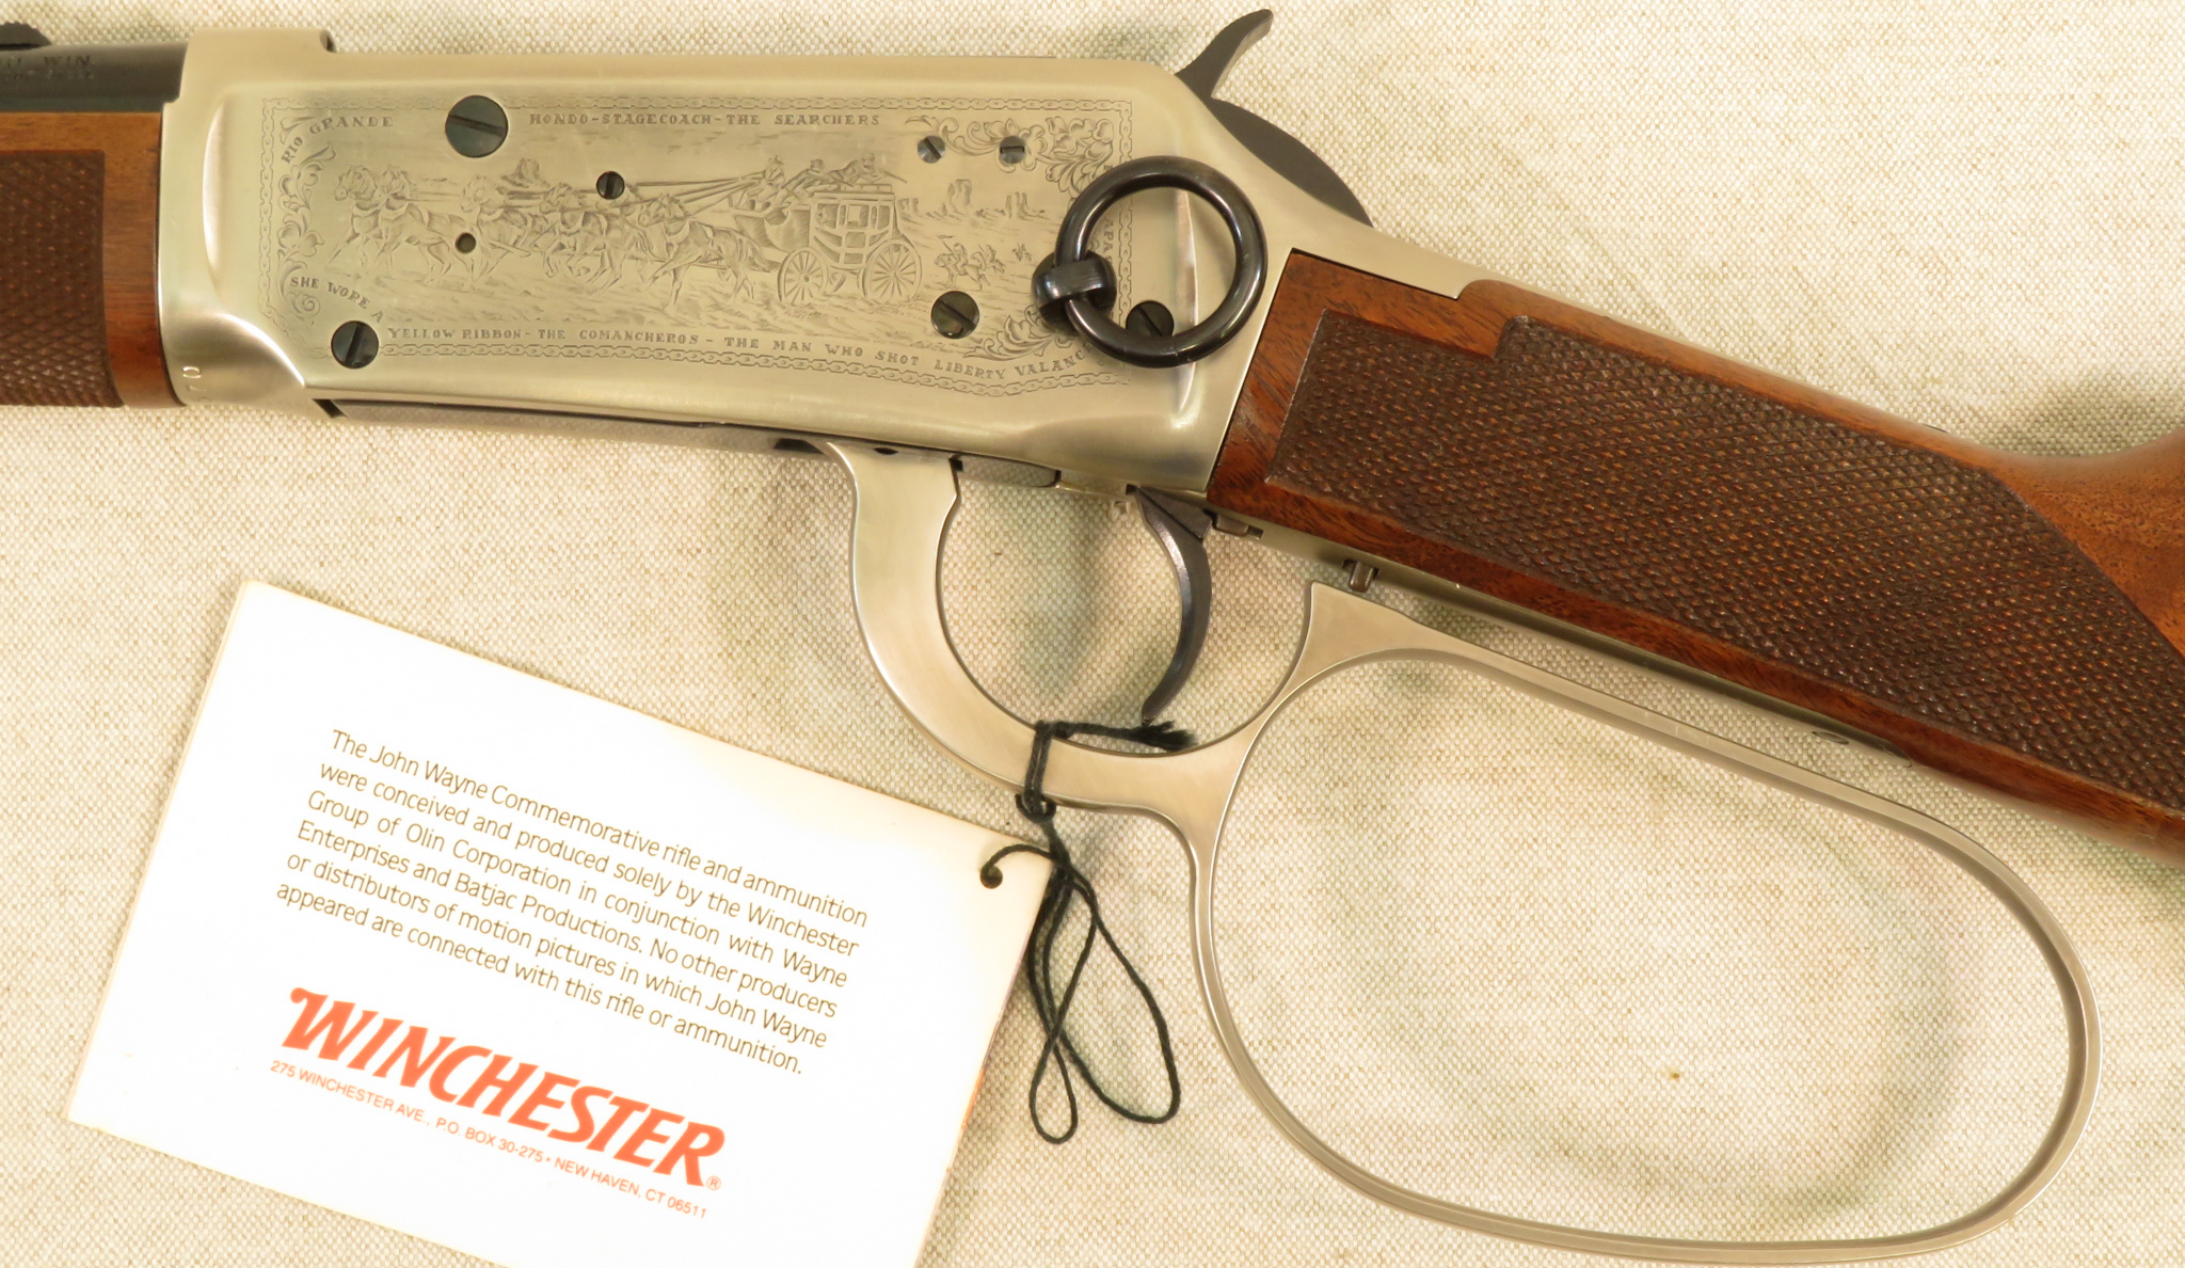

WINCHESTER

The John Wayne Commemorative rifle and ammunition were conceived and produced solely by the Winchester Group of Olin Corporation in conjunction with Wayne Enterprises and Batjac Productions. No other producers or distributors of motion pictures in which John Wayne appeared are connected with this rifle or ammunition.

“Firearms stand next in importance to The Constitution itself.

They are the American people’s liberty teeth and keystone under independence.

To ensure peace, security, and happiness, the rifle and the pistol are equally indispensable. The very atmosphere of firearms everywhere restrains evil interference -- they deserve a place of honor with all that’s good.”
